The Division approves the extension as requested. Both parts of the response will be due August 2, 2016.

Leslie, would you please print this message and have Emily update the task? Thank you.

Paul,

On July 8th I received the Division's Dust Events Directive dated July 1st. As discussed, Kennecott would like an extension to August 2, 2016 to compile information.

Thank you,

Steve Schnoor
